LEGAL NOTICE

The AT&T Interstate Access Guidebook ("Guidebook"), which is part of the AT&T Interstate Guidebook, applies to the AT&T Broadband Services that are subject to the jurisdiction of the Federal Communications Commission ("FCC").

Broadband Services, as described in this document, are special access services for which tariffs are subject to withdrawal pursuant to FCC Memorandum Opinion and Order No. FCC 07-180 released October 12, 2007. The Broadband Services described in the Guidebook are common carrier services under Title II of the Telecommunications Act, as applicable to non-dominant carriers. Beginning upon the effectiveness of the withdrawal of Broadband Service tariffs, Broadband Services will be provided under contracts, which may incorporate the rates, terms or conditions of the Guidebook.

The services described in the Guidebook may be available through negotiated agreements, which may include rates, terms or conditions more favorable to you than those in the Guidebook.

Prospective customers wishing to purchase Broadband Services at the rates, terms and conditions in the Guidebook may do so by initiating orders through the same processes used to order services from AT&T's interstate access tariffs, including the electronic submission of access service orders and manual ordering via e-mail, telephone or facsimile.

Prospective customers wishing to purchase Broadband Services at rates, terms or conditions different from those described in the Guidebook may contact their AT&T service representatives or go to the AT&T website at <http://www.att.com/gen/general?pid=6345>. AT&T reserves the right to change the rates, terms and conditions in the Guidebook from time to time. Notification of changes will be made available at the AT&T website.
